

Dear Member,

Our mandate is to **promote the welfare** of the Ontario lumber, building materials and home improvement industry as a whole.

That, valued LBMAO member, includes you.

One way we do this is by providing unique sponsorship networking and opportunities that no other group in Ontario does; opportunities that bridge the divide between buying group affiliations, **unify our industry** and offer value whether you are a supplier or a retailer.

Sponsorship: How it helps you

These events provide the venue to form lasting bonds with fellow members but also serve to be a **worthwhile marketing platform**. We'll give you the opportunity to market your company, and you'll have a grand time doing it (we promise).

Please have a look at our sponsorship packages to determine which one would best suit your needs. Sign up today as our **partner** and help us **'build better tomorrows'** for our members, for the industry!

Thanks in advance for your time and consideration.

Best regards,
